Governing Council Report

2025 was a year of change for Blakeview Primary School.

At the end of term 3 we farewelled Ms Teresa Harriot and welcomed Ms Zoe Wecker to the site. Governing Council would like to take this opportunity to thank Ms Harriot for her service and commitment to the school. We wish her all the best in her next chapter.

With a new leader came the re-introduction of whole school newsletters, crazy sock day and PJ days- favourites with everyone in the community. We also enjoyed another successful colour run and a whole school Enterprise Day.

As a school we continued with our annual swimming lessons for all reception to year 5 students and aquatics at West Lakes for our year 6 students.

Governing Council continues to be a positive and productive space that we hope to encourage more families to be a part of in 2026

Attendance Comment

In South Australia, all children and young people must be in school from 6 years to 16 years old. They must attend a government or non-government school full time. From age 16 to 17 however, young people must attend school or an approved learning program (such as an apprenticeship, traineeship, accredited course or university). Schools and parents must encourage and support students to come to school every day. Parents and caregivers must make sure their child is enrolled in a school, and attends school all day and everyday it is open, unless a child is sick or has an approved exemption. Teachers and leaders actively follow up when a student misses school, including recording all absences and non-attendance. All schools in South Australia have local attendance procedures governed under the Education and Children's Services Regulations 2020.
