From The Principal

Dear Families,

We are coming into the colder weather and I know the flu and possibly COVID will rise its head again.

Please keep your child home if they have any symptoms so that we stop the germs spreading.

Staff will be getting their flu jabs today so maybe timely to think about yours.

At Governing Council, we reviewed and re designed a number of school policies.

We will send information out generally that explains these.

For the rest of the Term, Dawn will be on leave and a few of us will be covering her duties in her absence. We wish her a great holiday.

Kerri Bray is also on leave for the next 4 weeks for a well earnt break.

Dogs on Site

Following COVID, this year we welcome families back on site with no restrictions. Strong positive relationships are one of the key elements to improving learner achievement. For all families a reminder that students and families are not allowed to be on school grounds before 8:30am.

We've recently noticed that some families are also bringing along their 4 legged members of the family.

The safety and wellbeing of our students, families and staff is of utmost importance. As such, this is a friendly reminder that dogs are not permitted on school grounds for a variety of reasons.

The Dog and Cat Management Act 1995 states that:

"A person who owns or is responsible for the control of a dog is guilty of an offence if the dog (not being an accredited disability dog, guide dog or hearing dog) is in, or in the grounds of, a school, kindergarten, child care centre or pre-school centre without the permission of the person in charge of that place."

I love my mum because...

"She is the best" - Amelia

"She is kind, generous and amazing" - Archer

"She is beautiful" - Arlo

"She takes me to BMX" - Lawson

"She takes care of me" - Faith

"She gives me what I want for my birthday" - Parker

"She lets me buy lego" - Leighton

To all our Mum's at Blakeview thank you for everything you do.

This year marks 20 years of the Premier's Reading Challenge in South Australia!

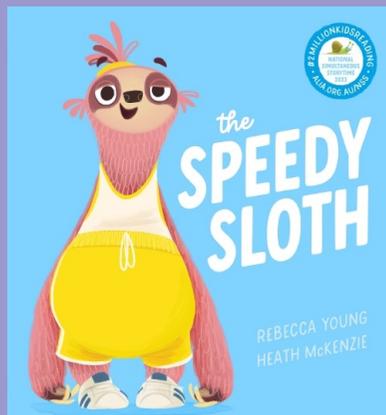

To celebrate this milestone, they are offering students the opportunity to receive a special, 20th Anniversary certificate in addition to their usual PRC award this year.

To qualify for this certificate, students need to read 20 books in 2023, this includes 8 books from the PRC book list, and 12 free choice titles.

Teachers are collecting students book title lists which they have read as a class or individually.

This Wednesday our school participated in the National Simultaneous Storytime.

At 10:30am classes listened to the story 'The Speedy Sloth' by Rebecca Young and illustrated by Heath McKenzie.
