Week 3 News

It has been a very busy week with some of our in-school events beginning.

This week we began our Footsteps Dance program and it was great to see so many smiling faces getting their groove on. We also had a SANFL clinic on Monday and Tuesday where our R-2 students had the opportunity to get their hands on a footy.

Today, Dr Luca from the Children's University, came and spoke with our primary students. Due to the popularity in 2025, the number of students who can participate has increased. Information was sent to families today, both in hard copy and electronically.

The next big event, on the school calander is our Meat & Greet. We invite all families to come along, have a sausage before heading into classrooms. The format is different this year. Less talk from staff and more opportunity to let us know more about your child/children. Staff have been busy preparing for the evening and we hope to see as many families as possible.

Have a fabulous weekend.

Kind regards
Zoe Wecker

“Meat’ & Greet - Tuesday 17th Feb

Our “Meat’ and Greet evening is coming up and we would love to see as many families as possible. This year we have changed the format of the event, hoping to increase the number of families attending. We will start off the event with a sausage sizzle and then invite families into the classes. This year, when the classrooms are open, there will be less talk from staff and more opportunities to get to know you and your child/children.

Staff from Craigmore High School will be on site, welcoming any questions you may have.

To help with catering, a quick message to your child’s classroom teacher, via Sentral would be helpful.

We are really looking forward to meeting as many families as possible.

Children are welcome to attend and the playground will be open. Families will need to supervise play outside as teachers will be in classrooms, with families.

For more information, please contact the front office. See you there!

Governing Council & AGM

Want to be more involved with the school community? Governing Council is the perfect way to engage with other families and discuss the ‘nuts and bolts’ of the school. We meet twice a year, generally on a Tuesday night, starting at 6pm.

Nominations are now open with forms in the front office to be completed prior to our AGM on Tuesday 24th February. Check out the AGM flyer on our community notice board, in the front office. Want more information? Come and chat with Carly or Dawn, in the front office. New and existing families are encouraged to attend.

Start and Finish Times at Blakeview

School starts at **8.50am** and finishes at **3.10pm**. On a Thursday, we finish at **2.20pm**. Students arriving after 8.55am will be marked as late.

Arriving on time is important as this is where important daily messages and routines are shared. Learning to be punctual is also a lifelong lesson that our students need to learn.

After school, a second bell will go at 3.20pm. (2.30pm on a Thursday) Students who have not been collected by 3.30pm will be taken to our onsite OSHC for supervision. Thank you for your support with this.

Have you enrolled for Mid- Year 2026?

Our Mid-Year offers for reception are being sent out and there are limited places available.

If you have not completed an expression of interest, time is running out. Please come and see Carly in the front office and she can help you with the process.

Enrol now for 2027

Expressions of interest are now being taken for enrolment vacancies for 2027. Reception spaces are filling fast with limited vacancies in other year levels. If someone you know is considering Blakeview for 2027, please encourage them to contact us on 82547555.
